<b>Total Cosmetic (Procedures Shown)</b>	413,208	393,049	696,904	69%	N/A	N/A
*Caution; small sample sizes						
** The 1992 Procedural Statistics have been adjusted to incorporate breast implant removals for purposes of comparison with 1994 and 1996 statistics, when the procedure was incorporated as a part of the total						
*** Sub-Totals are lower for 1992 and 1994 because Laser Skin Resurfacing was not reported in those years
